your insurance coverage!*

# ELECTRICAL CONTRACTOR Protect™

## **ElectricalContractorProtect™ Insurance Program** “Keeping homes and businesses – Live”

Electrical Contractors face tremendous challenges as you work hard to keep our homes and businesses “live”. The challenges facing your industry are many including:

- **Tight deadlines and demanding client expectations**
- **Increasingly competitive tender environment**
- **Labour shortages**
- **Increasingly restrictive government regulations**

All of which combine to make it more difficult than ever to operate your business efficiently and profitably. We understand the challenges you are facing and have designed an insurance program that covers your businesses needs cost effectively to give you one less thing to worry about.

The **ElectricalContractorProtect™** insurance program was designed to provide you with the coverage that you need to protect your business while also meeting the requirements demanded by your clients... whether they be residential, industrial, commercial or institutional.

Our **Construction Advisory** team will become a key part of your business operations by providing you with customized coverage for:

- **General Liability**
- **Bonding**
- **Pollution Liability**
- **Design Errors and Omissions**
- **Faulty Workmanship**
- **Property including:** Office Contents and stock, Tools and Contractors Equipment, Materials in transit or awaiting installation, Site trailers
